INTERVIEW QUESTIONS

ELEMENTARY

INTRODUCTION:

Tell us about yourself and why you feel you would be the best candidate for an elementary position.

- S 1. Within a self-contained classroom you will encounter a diverse group of students, what would you do to design the needs of individual children.
- W 2. How would you involve parents in their child's education?
- D 3. How would you integrate the 4 processes (reading, writing, speaking and listening) into the core subjects in an elementary classroom?
- J 4. How would you design a classroom management system that would be proactive to avoid student problems?
- B 5. Where does assessment fit into the instructional process?
- K 6. How would you react to:
- a parent who confronted you about an alleged incident with their child
 - criticism from your principal
 - the word NO
